SECTION 97										98. SECTION 98																													

The division of transportation services into comparable increments of passenger tickets was only the second of innovations that we carried out. Now it is our business to save the transportation industry not only cost but also to improve the services or the conditions in which passengers are within the grasp of the present transportation.

SEE SHEET 1 FOR PARTS LIST

The client or the client's representative shall be responsible for providing the information of the client's business and the client's financial condition to the auditor. The auditor shall be responsible for providing the information of the client's business and the client's financial condition to the client's representative.

provides a detailed analysis of the current state of the industry and the challenges it faces. The book is written by a leading expert in the field and is a must-read for anyone involved in the industry. It provides a comprehensive overview of the industry and its future prospects. The book is written in a clear and concise style and is easy to read. It is a valuable resource for anyone involved in the industry and is a must-read for anyone interested in the future of the industry.
